

Install Mechanic

Department: Industrial Tanks

Location: Brandon, Manitoba

Job Type: Full Time Hours: Monday – Friday, 8:00 AM to 4:30 PM

Wage: Hourly rate dependent upon qualifications

Glendale Industries Limited is a metal fabrication facility in Brandon, Manitoba. Glendale has been in business since 1984. Glendale is a member of the Atom-Jet Group. The Atom-Group has over seventy employees and recently celebrated its 60th year in business. We are seeking a qualified individual to join our Mechanical Installation team.

Benefits

Glendale recognizes that the people within our team are our most valuable asset, and because of this Glendale provides its employees with:

1. A comprehensive benefit package
2. Pension matching
3. Competitive salaries and wages
4. Work-life balance
5. Regular social events

Job Summary

Glendale Industries manufactures and installs truck-mounted tanks for a variety of applications. The Mechanical Install team is responsible for installing all the hydraulic, electrical, and mechanical components of a Glendale tank. As a member of this team, the Install Mechanic will be responsible for assisting with the installation of these components.

Requirements

Experience – Three years in a similar industry would be an asset, but is not required. Training will be provided for the ideal candidate.

Education – Training or certificate in any mechanical trade would be an asset, but is not required.

Skills – Applicant must have the ability to work under pressure and meet deadlines. The applicant must be able to work in a collaborative team setting. The applicant must also be able to lift, push, pull, or carry heavy objects.

Attributes – Looking for a self-motivated individual with a positive attitude who works well with others and is willing to learn.

HOW TO APPLY: Please forward resumes via email to hr@glendaleind.ca Re: Install Mechanic or apply in person.
