DRIVELINE TECHNICIAN

ATOM-JET INDUSTRIES is a custom machining and advanced manufacturing company in Brandon, Manitoba. Atom-Jet has been in business since 1962. Atom-Jet Industries has a reputation for producing quality products and recently celebrated its 60th year in business.

We are seeking a qualified individual to join our Machine Shop team.

Benefits

Atom-Jet recognizes that the people within our team are our most valuable asset, because of this, Atom-Jet provides its employees with:

1. A comprehensive benefit package, at no cost to our employees.
2. Pension matching
3. Competitive salaries and wages
4. Work-life balance
5. Regular social events

Job Summary

The Driveline department is an important part of Atom-Jet's Machining division. This role is a key contributor to the department. The Driveline Technician is responsible for intaking driveline orders, repairing and fabricating drivelines, managing stock levels, and meeting customers' deadlines and quality requirements.

We are looking for an individual with a mechanical or fabrication background. Training in the technical specifics of this role will be provided through the onboarding process.

Responsibilities

- Intake driveline orders
- Provide customers with accurate quotes and timelines
- Fabricate and repair drivelines
- Balance drivelines and rotating components
- Order driveline parts
- Maintain driveline inventory
- Follow up with customers regarding pricing or timeline changes.
- Support Machine Shop operations.

Requirements

Experience – Fabrication or Welding experience is required. Machining and Mechanical experience would be an asset. All necessary training will be provided.

Skills – The ideal applicant will possess the following skills:

- Excellent customer service skills
- Strong understanding of welding and fabrication principles
- Ability to multitask, schedule, and manage deadlines
- Ability to lift, push, pull, or carry heavy objects.

Attributes – Looking for a self-motivated individual with a positive attitude who works well on their own and in a team environment.
