## APPRENTICE MACHINIST

**ATOM-JET INDUSTRIES** is a custom machining and advanced manufacturing company in Brandon, Manitoba. Atom-Jet has been in business since 1962.

The Atom-Jet Group has a reputation for producing quality products and recently received the Manitoba Chamber Outstanding Long-Term Achievement Award.

We are seeking a qualified professional to join our Machining Division.

### Benefits

Atom-Jet recognizes that the people within our team are our most valuable asset, because of this Atom-Jet provides its employees with:

1. A comprehensive benefit package, at no cost to our employees.
2. Pension matching
3. Competitive salaries and wages
4. Work-life balance

### Job Summary

The role of the Apprentice machinist is to produce quality parts in accordance with work order requirements and supplied drawings. Must be willing to learn and develop machinist trade skills in both manual and CNC machining.

### Duties and Responsibilities

- Follow the company's core values at all times. Respect, Transparency, Committed, Quality, Passion, and Accountable.
- Production of machined components in accordance with drawing specifications and/or instructions, under the supervision of a journeyman tradesperson.
- Must be willing to learn and develop machinist trade skills in both manual and CNC machining.
- Must be willing to perform support tasks for the machine shop to help fulfill work order requirements, such as painting, assembly, and other duties as assigned.
- Must comply with the safety requirements at all times before performing a job assignment.

### Requirements

To be considered for this position, applicants must possess the following characteristics:

**Experience** – Minimum 1 year of experience in a machine shop environment

**Education** – Completion of an accredited pre-employment machinist course and enrolled in the Manitoba apprenticeship program in the trade of machinist.

**Skills** – Applicant must be able to multitask, have strong drawing interpretation skills, & mechanical aptitude

**Attributes** – The apprentice must have a great work ethic, be able to listen to instructions, and carry out tasks

### How to Apply

Please forward resumes via email to [hr@atomjet.com](mailto:hr@atomjet.com) or drop off in person to Atom-Jet Industries Ltd., 2110 Park Ave, Brandon, MB.
