

Install Technician – Tank Department

Department: Industrial Tanks

Location: Brandon, Manitoba

Job Type: Full Time Hours: Monday – Friday, 8:00 AM to 4:30 PM

Wage: Hourly rate dependent upon qualifications

Glendale Industries Limited is a COR certified metal fabrication facility in Brandon, Manitoba. Glendale has been in business since 1984. We are seeking qualified individuals to join our team.

Benefits

Glendale recognizes that the people within our team are our most valuable asset, and because of this Glendale provides its employees with:

1. A comprehensive benefit package
2. Pension matching
3. Competitive salaries and wages
4. Work-life balance
5. Regular social events

Job Summary

Glendale Industries manufactures and installs truck-mounted tanks for a variety of applications. The Mechanical Install team is responsible for installing all the hydraulic, electrical, and mechanical components of a Glendale tank. As a member of this team, the Install Technician will be responsible for assisting with the installation of these components.

Requirements

Experience – Three years in a similar industry would be an asset, but is not required. Training will be provided for the ideal candidate.

Education – Training or certificate in any mechanical trade would be an asset, but is not required.

Skills – Must have strong mechanical aptitude. Applicant must have the ability to work under pressure and meet deadlines. The applicant must be able to work in a collaborative team setting. The applicant must also be able to lift, push, pull, or carry heavy objects.

Attributes – Looking for a self-motivated individual with a positive attitude who works well with others and is willing to learn.

HOW TO APPLY: Please forward resumes via email to hr@glendaleind.ca Re: Install Technician.
